

# Care Home Director – A Manager or a Wizard?

Prof. Dr. Piotr Błędowski

Warsaw School of Economics

Toruń, 27<sup>th</sup> September 2017

# Long-Term Care in Poland

514 nursing homes

1655 care homes

130,000 places

3.4 place per 10,000 people

Ministry of Health

National Health Fund

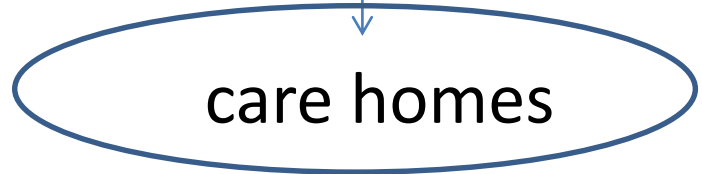

nursing homes

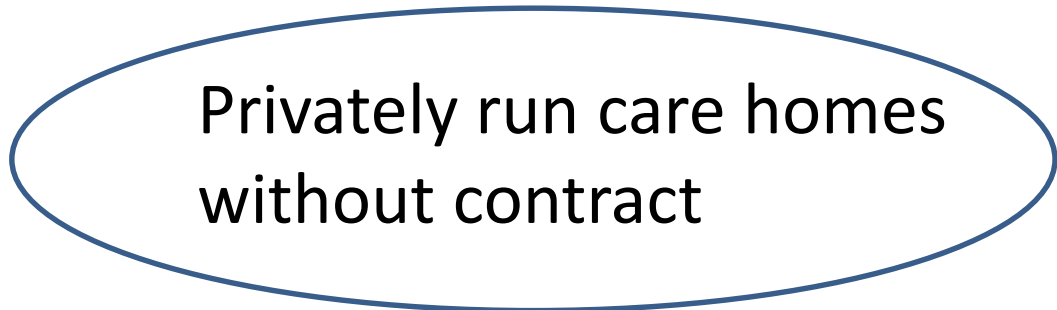

Ministry of Family, Labour  
and Social Policy

communities

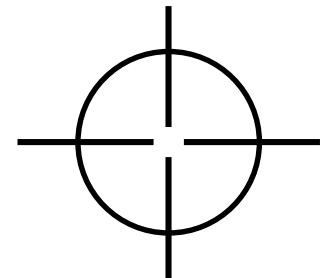

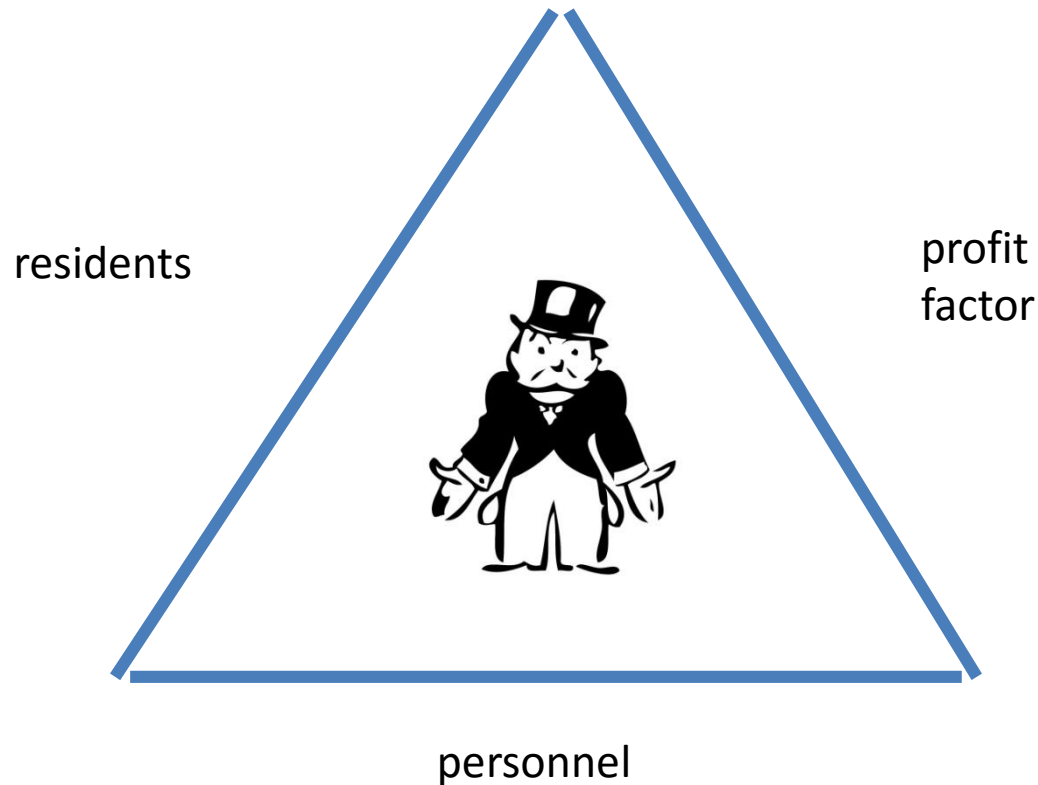

care homes

Privately run care homes  
without contract

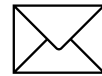

# The Bermuda triangle of long-term care

# System solutions:

- institutionalized care made socially acceptable
- improved quality of provided service
- a strategy to assist the director's independence from the authorities
- improved information flow within the institution
- better cooperation with the residents' families

Thank you for your attention
